**Meeting Minutes from 11/17/15**

Foster Friends Update

- CPE will be meeting with QPI and DA to discuss how to proceed with the next steps.

Calendar of Events

- No update available CPE was not available for this meeting

Springs Preserve

- D.Parker updated group that this was underway and that there were discounts available. Details are available directly from CPE unit.

Angel Tree Event

- DFS through CPE, QPi, and Special Projects are partnering with CASA on their event. We will be responsible for registration and distributing the gifts afterward. We also will be paying as we do

each year for the games. This year we also rented a POD that will supplement the one that CASA brings to central for the gift distribution.

#### Next Years objectives

- It was decided to review this at our December meeting.

#### Wait no more

- No update was available CPE was not available for this meeting.

#### Other

- Duffle bags - Discussed the need for Children to have something other than garbage bags to put their clothes in. J. Peace suggested that if we got duffle bags donated we could have them right on site with each of the CPS or ERT Units so they can grab them when they go out to do removals. The kids can keep these and then will have them. J. Peace was going to check with UNLV to see if any of the fraternities or sororities would be willing to sponsor this type of event. He will also speak to Florida to see how they do this.
- UNLV has an outreach tutoring department J. Peace was going to invite them to the next meeting to see if they would make themselves available to our teens. We think this would be a great connection for the IL teens who could be mentored.

**Next Meeting – December 15, 2015**

**DFS Central located at 121 S Martin Luther King Blvd**
